

Weldex WDB-5407s Color Weatherproof Bullet Camera

The Weldex WDB-5407S is a mini color bullet security camera. The WDB-5407s can be completely submersed in water to a depth of 100-200 feet. Its Weatherproof design makes it useful for both indoor as well as outdoor applications. The WDB-5407S has a resolution of 400 lines and works great in low light conditions.
